Tarajan, Jorhat, Assam, Pin Code- 785001

SUMMARY

As someone with a strong background in Computer Science and Engineering, I am highly driven and skilled. I have a good grasp of basic software development practices and have practical experience in Java, Python, Web development and PowerBI. Now, I enthusiastically want to apply my technical and analytical skills in a challenging position as an Associate Systems Engineer at IBM. I learn quickly, work well in teams, and have a great interest in using technology for innovation and solving difficult issues.

EDUCATION

BTech in Computer Science and Engineering

Assam Kaziranga University

2020 - 2024 Jorhat, Assam

CGPA
7.22 / 10

Higher Secondary Education in Science

Pragjyotika Junior College

2018 - 2020 Titabar, Jorhat, Assam

High School Education

Springdale High School

2017 Cinnamara, Jorhat, Assam

SKILLS

Key Strengths

Persistent **Detail Oriented** **Analytical**

Technical Skills

Java **Python** **Data Science** **PowerBI** **MS Excel**

PowerPoint **MS Word**

HOBBIES AND INTERESTS

Basketball, Badminton, E-Sports, Travelling

TRAINING / COURSES

Professional Diploma in Data Science Using Python

Cranes Varsity, Bangalore- A Training Division of Cranes Software International Ltd

PROJECTS

NewsX

Developed a news fetching application using Python and using Tkinter GUI library.

Mobile GNS (Graphical Network Simulator) with AI

A GNS developed for a Mobile Cross platform that enables user to have real time network simulation on Android and iOS, with features from debug and error fixing using API from popular AI tools such as chatgpt from open AI making the task of fixing the network errors and learning at the same time(built for students).
